Our departed sister was baptized by Eld. G. F. C. Conn, some eighteen months since, into the fellowship of the Goshen Baptist Church, of which she remained a warm, devoted, zealous and consistent member till the Mester had use for her in heaven. She was a christian from principle, and not merely from impulse; for was at all times ready to contribute that she had expoused; and although she was the mother of several children, her place was generally filled at each of the appointments of the church, plainly showing that if we have the matter truly at ing that if we have the matter truly at heart, we can generally find means of honoring the Divine institutions. Her Bible (although previous to her conversion she had been somewhat skeptical, owing she had been somewhat skeptical, owing probably to early education) was her constant companion and source of comfort.

She manifested a very strong desire from her conversion to her death for the salvation of her relatives, especially her father and mother, for whom coubtless she has coffered many prevent in her subgress. offered many prayers. DAMCEROUS PRACTICE. 9 9 9 9

The following letter is from a highly respectable Physician, who enjoys an extensive practice: Navarre, Starke co. O. Rov. 1, 1851. tice: Navarre, Starke co. O. Rov. 1, 1851.
Dn. Join D. Park: Dear Sir: 'Dr. Guysott's
Extract of Sarsaparilla.' This medicine has
been prescribed by me for the last three years,
with good effect, in general debility, liver complaint, Jaundice, Dispepsia, chronic and nervous diseases. In all Female Complaints it is
certainly unqualled. DANGEROUS PRACTIGE.
The use of Morphine, Strychine, Aconite, Belladonna, Arnica and other poisons, are not only dangerous but cruel. The effect of these poisons is not to cure the disease, or to remove from the system the pains, but to Deaden the aerves, to weaken and stop the nervous energy, to paralyze the functions of the nervous system & destroy sensation. If this practice is continued for any length of time the patient will not only waste away, but the brain will become paralyzed and the intelect destroyed.

ME. JOHN D. PARIS—Dear Sir: It is with unuterable feelings of gratitude that I am able, through the Divine Providence of God, and by the wonder-working agency of that excellent medicine, 'Guysott's Yellow Dock and Sarsaparilla,' to give you a few symptoms of my almost hopeless case.

In the winter of 1850 I was attacked with a severe pain, which was gradually extending the whole right side and leg; at the same time a total prostration of my physical system; also my leg had shrunk to about two-thirds of its common size. I procured the attendance of a skifful practitioner, who pronounced my discease one of the worst forms of liver complaint. He said my case was one not easily hasuled, but prescribed for me. I remained under his treatment until I was satisfied he could not help me. I thed procured of your agent at this place, W. A. Beers, two bottles of Guysott's Yellow Dock and Sarsaparilla, from which I received a vast amount of benefit. After having taken four bottles more I was able to pursue my business without any inconvenience, and have been since that time a well man, while but a short time since I was confined to my bed three-fourths of the time; and I cannet ascribe the return of my health to any other cause than by the agency of that truly valuable medicine, Guysott's Yellow Dock and Sarsaparilla.
